

Fastgate

Automated freight check-in and exit at Europort, with **P&O Ferries**

Advance bookings only

1 Prior to Arrival

Bookings must be made in advance*. New bookings or changes to bookings cannot be made at the port. Please ensure all required documentation is submitted in advance. *Empty unit collection or drop-off does not require a booking.

The Freight Booking Office (FBO) can be contacted to make storage bookings. EDI must be used for all rail bookings where EDI is available, otherwise please contact the FBO to make a rail booking.

Simply follow the on-screen instructions

For laden units

- confirm the job displayed on the screen
- scan driver ID
- location for collection or drop-off is displayed on screen
- boarding pass printed for accompanied vehicles - scan QR code on-board to print cabin keycard

For empty units

- enter 4 digit pin code
- select required unit size and type
- scan driver ID
- location for collection or drop-off is displayed on screen

Barrier opens automatically to allow entry
